¹If you are not retired and earned FRS service after certain periods in 2002 (depending on your employer), you must rejoin the FRS retirement plan you were enrolled in when you terminated FRS-covered employment. You may have a one-time 2nd Election to switch FRS retirement plans. Also, alternative retirement programs are available to certain employees. ²Positions include OPS, temporary, seasonal, substitute teachers, adjunct professors, part-time, full-time, regularly established, etc.

³Florida law requires a return of all unauthorized Pension Plan benefit payments or Investment Plan distributions received by a member who has violated the FRS termination or reemployment provisions. Similar provisions apply to unauthorized SUSORP, SCCSORP, or other state-administered plan distributions – contact that plan's administrator for details.

⁴ There is one exception to the restrictions on reemployment limitations after retirement. If you are a retired law enforcement officer, you may only be reemployed as a school resource officer by an FRS-covered employer during the 7th through 12th months after your retirement date or after your DROP termination date and receive both your salary and retirement benefits.
